

MEDICAL MISSION SISTERS

Happy Thanksgiving
thank you for all of your support

During this Thanksgiving, season we want to let you know how much we greatly appreciate all of your support throughout the years. It helps us in our mission, both here in the United States and all around the world. We've gathered some of our sisters together to personally thank all of you for your generosity. Please enjoy the video below!

Dear God,

At this special time of **THANKSGIVING** we find ourselves reflecting on the past year - the joyful and the tearful parts, the bounty of the earth, seas and skies that are gifted to us each day, the wonder of new life, the completion of lives lived, the mysteries that we do not understand, the gifts of enabling graces that let us do good, to spread love, and peace, the strength that was given in time of need, for kindnesses received and given, both near and far away.

You never tire of us asking for Your blessing, so we do so again on behalf of our donors.

Bless all those who in many ways support us and help us to strive to be a healing presence among so many peoples, and creatures, and the very earth itself.

We simply say **THANK YOU**.

Sincerely,

Medical Mission Sisters
