

# 15 General Chapter

• • • •

*Hello, from the Medical Mission Sisters and Associates! You're receiving this email from us simply because we appreciate you as a consistent supporter and partner in mission. Our intention is to regularly share news from the world of MMS that you will find inspiring and valuable. We hope that you, as a supporter of MMS, feel engaged and kept up to date with all that we are doing.*

*Every six years delegates from each MMS unit around the world, along with several Associates, gather for what is called a Chapter meeting. During Chapter, the delegates evaluate processes and procedures, elect a new Society Leadership Team, and set direction for the next six years in the context of being a vibrant and relevant healing presence in a changing world.*

*The 15 General Chapter was held from June 18 to July 15, 2022 in Hoffheim, Germany; the meeting was fulfilling, inspiring and unifying! In addition to intense and meaningful discussions on vital issues impacting our world and the Society, we deepened existing friendships and established new connections.. We look forward to sharing much more with you in a few months!*

*The Sisters who were elected to leadership come from Ethiopia, Germany, North India, and the Philippines. They have all provided leadership in their respective units, and together have a wealth of experience in collaboration, management and process. They offer a visionary perspective for MMS life and mission in the Church, based on a charism of healing that continues to evolve with the signs and the needs of the times.*

*We are truly thrilled that Sisters and Associates from all around the world could gather in person where we felt God's Spirit holding us closely and with abundant love. The mission of Medical Mission Sisters continues to inspire and compel us into the future!*
