

Karin Knötig

***Hello, from the Medical Mission Sisters and Associates! You're receiving this email from us simply because we appreciate you as a consistent supporter and partner in mission. Our intention is to regularly share news from the world of MMS that you will find inspiring and valuable. We hope that you, as a supporter of MMS, feel engaged and kept up to date with all that we are doing.***

**In honor of the month of May being National Nurses month, we would like to introduce to you one of our own nurses, Sister Karin Knötig. Sr. Karin was born in Viechtach, in the Bavarian Forest in Germany. After her nursing training, feeling the call to give her life to God in a community setting, she spent some time with a Franciscan congregation.**

**Sr. Karin joined the Medical Mission Sisters in September 2010 and worked for six years in a neurological ICU. In 2016 she was asked to start a project called 'Healthcare for Refugees' by Caritas Frankfurt, a social service organization in Frankfurt. Caritas's most recent refugees are coming from Ukraine.**

**On September 30, 2017, Sister Karin celebrated her profession of final vows in Frankfurt, Germany. We honor and thank Sister Karin for the selfless work she has done and continues to do for those in need. Happy National Nurses Month!**
